MEMORANDUM
HR#19-20

March 16, 2020

TO: Directors
Deputy Directors
Administrators

FROM: Peter Long, Administrator *Peter Long*
Division of Human Resource Management

SUBJECT: HIRING FREEZE

Due to the continuing escalation of COVID-19, the State is faced with serious challenges. One of the proactive steps we can take at this time is to limit the hiring of current and future vacant positions. **Therefore, effective March 16, 2020, the Division of Human Resource Management is stopping all hiring activities for all open positions that are not on the exempt list.**

Executive branch positions (both classified & unclassified) will not be filled unless they are among those considered exempt (see attached list). This process applies to all positions irrespective of the funding for the position (i.e. General Fund, Highway Fund, Federal Funds, Fees, etc.) This includes positions that are currently open and in the recruitment process.

If you have a critical position that must be filled, please keep in mind that any exemptions must be approved by the Governor's Finance Office and the Governor's Office. Please see details listed below.

Constitutional Officers, the Judicial Branch, and the Legislative Branch are not bound by this directive but may choose to implement something similar.

PROCESS TO FILL POSITIONS

In order for a position to be considered for approval, the following steps must be completed:

1. Complete the *Justification To Fill* form and forward it to your budget analyst in the Governor's Finance Office. The link to the form will be provided in a separate memo from the Governor's Finance Office.
2. If approved by the Governor's Finance Office, the *Justification To Fill* form will be forwarded to the Governor's Office for review.
3. If the Governor's Finance Office and the Governor's Office approves the position, the *Justification To Fill* form will be forwarded to the Division of Human Resource Management/Recruitment and Retention Section to initiate the posting and begin (or continue) the recruitment activities.

OTHER RELEVANT INFORMATION

- Employment offers that were made and accepted through March 16, 2020, will be honored.
- For current active recruitments not covered by the Positions Exempt From Hiring Freeze list, the justification to fill process would need to be followed before a certified list will be provided.
- Caution should be exercised when reassigning duties that could result in reclassification, special salary adjustments or require authorization of overtime to maximize the cost savings from maintaining vacant positions.
- The process outlined applies to any type of appointment to a vacant position (i.e., new positions, transfers, promotions, reinstatement).

The Division of Human Resource Management is committed to making this process go as smoothly as possible and I want to thank you for your understanding and cooperation in this matter. These are truly tough times for all of us, and I hope we can all support each other and meet these challenges as a team. If you have any questions or concerns regarding this process, please feel free to contact me at plong@admin.nv.gov or 775-684-0131.
