Park Interpreters plan, organize, provide and supervise a variety of interpretive facilities, services and activities and assist in the operation and maintenance of an assigned State park.

Develop park interpretive programs to enhance the park experience for visitors; plan and provide recurring and special events and activities including tours, hikes, informational presentations and living history; operate and manage a small park, visitor center, museum or related facilities.

Prepare and present interpretive and informational materials related to the natural sciences, history, the State park system, the State, and unique features of the park; research information and write original materials; catalog artifacts and documents; give talks and show videos and other audiovisual presentations; guide tours and nature walks.

Coordinate and oversee the park's interpretive program; supervise permanent and/or seasonal staff as assigned; recruit, train and supervise volunteers; manage allotted resources and sales outlets; recruit guest speakers and publicize special events; maintain financial and statistical records related to fees collected, expenditures and visitors; seek external funding sources for program activities as appropriate.

Participate in maintaining park areas; supervise and perform custodial and maintenance assignments for buildings and grounds; maintain assigned tools and equipment.

Provide information and directions to assist park visitors; respond to verbal and written inquiries; make reservations and collect fees; administer emergency medical assistance and ensure compliance with established park regulations and policies.

Perform related duties as assigned.
