Under general supervision of the Administrator, Commission on Postsecondary Education (C.P.E.), process licensure requests for non-degree granting postsecondary educational institutions and applications for veterans’ benefits; approve, monitor and evaluate licensed institutions, and investigate and resolve student complaints.

Collect information from non-licensed entities for the purpose of determining whether State law requires licensure to include becoming aware of non-licensed entities by reviewing advertisements, through contacts with county business license departments, students and competitors of the institution, and requiring entities to furnish information concerning their operations; review information and consult with the agency administrator or Attorney General’s Office if necessary and issue determinations on licensure requirements; if determinations are contested, support recommendation to the C.P.E. and follow through to ensure institutions either apply for a license or cease operation.

Process new applications and renewals for private postsecondary institution licenses from non-degree granting institutions by preparing and presenting licensure recommendations to the C.P.E., which ensures adherence to minimal standards set by law and regulation; communicate license requirements to applicants and provide technical assistance in the preparation of required documents; examine the materials submitted by applicants including courses of study, blueprints, lease agreements, qualifications of school directors, financial statements, budget projections, and operating practices; evaluate the quality and content of educational programs, operating practices, financial soundness, and the adequacy and safety of facilities; work with other State agencies to obtain curricula or applicant evaluations; determine compliance with State laws and regulations.

Process and approve applications for veterans’ benefits and monitor approved institutions for compliance with State law and Veterans Administration’s (VA) regulations to include examining and evaluating courses of study, school catalogs, financial information, and operating practices to determine whether or not to grant approval for veterans’ benefits; inform the VA of approved applicants; coordinate with the VA to determine which institutions will be scheduled for site reviews; perform site reviews of VA approved institutions, including those within the Nevada System of Higher Education, to ensure compliance with State law and VA regulations and verify the accuracy of veterans’ educational benefit payments; notify institutions of deficiencies and ensure corrections are made; and notify the VA of any benefit overpayments.

Conduct on-site licensee evaluations to ensure that institutions are in compliance with State statutes and regulations by determining whether the visitation should be conducted by agency staff or if the nature of the evaluation is such that a team of experts should be assembled to conduct the visitation; require the institution to furnish appropriate information regarding their policies and practices; coordinate, train and supervise team members for team site evaluations to ensure comprehensive data collection and optimize each team member’s contribution; prepare or collect site evaluation reports and evaluate the institution’s compliance with statutes and regulations; determine the action required by the agency or regulatory body; and, if necessary, prepare and present recommendations to the C.P.E.

Evaluate and act upon situations such as curriculum and program changes, changes of school ownership, and requests from out-of-state schools to have agents in the State by reviewing information acquired and either approving or denying the request administratively or requiring the institution to complete a formalized application and evaluation process.

Participate in investigating and resolving student complaints which includes gathering information from
complainants and licensees and subpoenaing persons, records and documents when required; reach settlement of
disputes either through negotiation or by rendering decisions based on evaluations of information received and in
accordance with remedies allowed by statute; present and support decisions, if necessary, at hearings before the
C.P.E.; ensure compliance with decisions; conduct site visits if necessary.

Provide information regarding accreditation, veteran’s approval, regulations, and recordkeeping requirements to
licensees, students, other agencies, and the general public by responding to inquiries, attending meetings, and
coordinating and presenting informational seminars.

Monitor closures of private postsecondary educational institutions by requiring and evaluating information,
including disposition of current students; ensure proper resolution of each student’s training which may involve
negotiating agreements to complete training at other licensed institutions; secure and organize all student records
of closed schools for permanent retention by the agency.

In the absence of the agency administrator, perform duties required to ensure uninterrupted operations of the
agency which may include functioning as an official agency representative before the Legislature, Interim Finance
Committee, and Veterans Administration Regional Office.

Perform related duties as assigned.
