CLASS SPECIFICATION

<u>TITLE</u>	<u>GRADE</u>	<u>EEO-4</u>	<u>CODE</u>
CONTRACT COMPLIANCE MANAGER	41	A	6.217

Under general direction, the Contract Compliance Manager implements, monitors and enforces all federal and State laws and regulations relating to the Disadvantaged Business Enterprise (DBE) Program, External Equal Employment Opportunity (EEO) Program and the Title VI Program, minimum prevailing wage rates and subcontracting opportunities; and provides recommendations to department management regarding DBE, EEO and Contract Compliance program impacts from State and federal legislation.

Administer the DBE program to ensure conformance with federal regulations set forth in Title 49, CFR, Part 26; establish, monitor and adjust annual goals for DBE usage which ensures a percentage of all federal aid highway funds go to department-certified minority and women-owned firms; review engineering estimates for proposed construction projects and requests for proposal when the department advertises for engineering and other professional services that involve federal monies to determine what percent of the dollar value or bid amount will go to DBE's.

Review applications and supporting documentation from firms requesting certification for the State's Unified Certification Program (UCP) for DBE's; meet with applicants and conduct on-site reviews of the applicants' place of business to determine whether or not certification should be granted; make recommendations to the UCP Board; prepare various reports for the Federal Highway Administration (FHWA) on the progress of the DBE program; oversee the department's DBE website.

Administer the DBE Supportive Services program which develops the DBE program through education, training, community outreach, recruitment, and training of DBE firms; serve as Hearing Officer regarding disputes for other states and local governments with DBE responsibilities.

Administer external EEO programs; direct review of contractors and subcontractors on department projects for compliance with contract EEO provisions; establish training goals for federal aid projects based on the size of the proposed project, the location of the project and the number and types of items included in the proposal; annually report to the FHWA on training program accomplishments; review wages of employees working for contractors/subcontractors to ensure compliance with EEO provisions; attend or designate a representative to attend pre-construction and pre-bid conferences to answer questions and review plans, contract special provisions, the DBE program, EEO requirements for minorities and females, training requirements, Affirmative Action Plan requirements, wage and benefit requirements, and compliance requirements.

Function as the Title VI Coordinator for the department to ensure that department programs and activities are administered in a non-discriminatory manner; investigate and resolve discrimination complaints based on race, color, national origin or gender and report to the FHWA regarding the nature of the complaint and the status or outcome of the investigation.

Review bid documents, stewardship contracts, contractor bids and certified payrolls to ensure federal laws, Nevada Revised Statutes and department policies regarding prevailing wages, subcontractors, DBE firms and insurance are followed; investigate and resolve wage complaints filed by contractor and/or subcontractor employees; investigate and arbitrate payment disputes between prime contractors, subcontractors and suppliers; review union bargaining agreements to ascertain that employee fringe benefits are provided; review non-union pension and health plans for compliance with federal and State laws and regulations.

Manage the Contract Compliance Section to include supervision, assigning and reviewing work, training and evaluating employees, and preparing and monitoring the section budget.

Perform related duties as assigned.
