CLASS SPECIFICATION

<u>TITLE</u>	<u>GRADE</u>	<u>EEO-4</u>	<u>CODE</u>
HIGHWAY CONSTRUCTION AID	20	H	9.137

Highway Construction Aids work under close supervision and perform unskilled tasks associated with highway maintenance, construction, testing labs and equipment shops.

Perform traffic control tasks during roadway maintenance; set up and remove traffic control devices; act as flagger and operate a pilot vehicle; pick up debris and empty litter barrels; control vegetation near highways, bridges, fences, signs and buildings; remove weeds and mow turf; assist maintenance crews during routine maintenance tasks such as fence, sign and guardrail repair and minor surface patching using common hand and power tools.

Prepare and set survey stakes, chains, rods or serve as a flagger on a survey crew; assist inspectors with minor inspection duties such as constructing fences, drainage structures, or weighing trucks; assist field testers performing sieve analysis, compaction tests or any other tests required in a field lab; assist office personnel with required documentation for construction projects.

Assist staff in testing materials that must meet highway construction and maintenance specifications; investigate gravel sources, perform soil surveys; prepare records and reports, and maintain tools and equipment.

Clean shop areas by sweeping, mopping and picking up debris; assist mechanics by cleaning parts; assist stockroom personnel by picking up parts from local vendors and organizing stock; and clean vehicles.

Perform related duties as assigned.

MINIMUM QUALIFICATIONS

SPECIAL REQUIREMENTS:

- * Pursuant to NRS 284.4066, some positions in this series have been identified as affecting public safety. Persons offered employment in these positions, must first submit to a pre-employment screening test for controlled substances. In addition, federal law requires random testing for controlled substances during employment.
- * A valid driver's license is required at the time of appointment and as a condition for continuing employment.
- * Some positions require a valid class A or B driver's license at the time of appointment and as a condition for continuing employment.

INFORMATIONAL NOTE:

- * If underfilling, one year of experience as a Highway Construction Aid in Nevada State service may provide for progression to Highway Maintenance Worker I upon meeting the minimum qualifications, with satisfactory performance and with the approval of the appointing authority.

EDUCATION AND EXPERIENCE: Ability to follow oral and written instructions and perform physical tasks requiring moderate strength. *(See Special Requirements and Informational Note)*

MINIMUM QUALIFICATIONS (cont'd)
