

**STATE OF NEVADA**  
**Department of Administration**  
**Division of Human Resource Management**

**CLASS SPECIFICATION**

<u>TITLE</u>	<u>GRADE</u>	<u>EEO-4</u>	<u>CODE</u>
<b>EQUIPMENT SUPERINTENDENT</b>	<b>45*</b>	<b>A</b>	<b>9.303</b>

Under general direction, the Equipment Superintendent plans, organizes and directs the staff and activities of the Equipment Division of the Department of Transportation and directs division staff engaged in procuring rental and non-rental equipment, vehicles, maintenance and construction materials, supplies, communications equipment for the agency, Urban Mass Transportation Act equipment, and fuel for use by State agencies.

Plan, direct, implement and promote division programs to ensure conformance with State statutes, federal regulations and agency policies and procedures by meeting with agency and division staff; discuss and determine solutions to problem areas; and develop, implement, and monitor new or revised division policies and procedures.

Review equipment utilization reports and equipment replacement schedules; review requests and recommendations from division/district personnel; determine the feasibility and cost effectiveness of requests; oversee equipment specification committee meetings and approve completed specifications; meet with vendors to determine product availability; obtain lists of qualified bidders from the Purchasing Division; review bids in conjunction with division staff to ensure compliance with specifications prior to the final award of the bid.

Direct division staff engaged in fleet management, equipment repair and modification, sign production, storeroom operations and fiscal management; review and analyze management information reports such as those pertaining to equipment utilization, downtime, maintenance and repair costs, and inventory control; approve equipment rental rates and purchases; establish guidelines and statewide standards; monitor activity reports and performance indicators.

Develop the division budget in conjunction with subordinate supervisors; review staff recommendations, past expenditures, workload indicators, proposed project and equipment needs; determine budget priorities; submit recommended budget to agency management.

Plan, direct and supervise professional and supervisory personnel to include hiring, training and evaluating performance; establishing division priorities; providing guidance and motivation; monitoring progress and results; and taking disciplinary action as appropriate.

Perform related duties as assigned.
