SERIES CONCEPT

Maintenance Repair Aids perform manual labor and unskilled work to assist with facility operations and maintenance.

Deliver and move furniture, fixtures, equipment and exhibit items when offices are relocated or as requested by agency staff; load items manually or by utilizing handtrucks and forklifts; operate delivery vehicles; unload, uncrate and arrange items in accordance with established guidelines and instructions.

Deliver and set up tables, chairs, and equipment for meetings and special events; arrange furniture and equipment in accordance with instructions or a diagram provided by the organizers; take inventory and return items to storage after conclusion of functions.

Perform minor building and equipment maintenance such as changing filters, lubricating motors and fans, inspecting fire extinguishers and alarms for proper operation and replacing lamps; and assist skilled trades workers by performing general labor or simple tasks as directed.

Provide assistance to grounds maintenance personnel by performing activities such as mowing turf, removing snow, and hauling dirt and debris as assigned.

Perform related duties as assigned.

CLASS CONCEPTS

Maintenance Repair Aid IV: Under general supervision, incumbents have agency-wide responsibility for coordinating and scheduling moves, deliveries, and the arrangement of furniture for events; supervise a crew of lower level Maintenance Repair Aids and temporary employees, and perform the duties described in the class concept for Maintenance Repair Aid III.

Positions in this class are distinguished from Maintenance Repair Aid III's by responsibility for coordinating and scheduling moves and deliveries on an agency-wide basis and providing supervision to a regularly assigned crew of Maintenance Repair Aids. This is the supervisory level in the series.

Maintenance Repair Aid III: Under general supervision, incumbents perform the full range of duties described in the series concept, and in addition, assemble furniture and equipment, build bookshelves and assist skilled trades workers by performing basic tasks such as unclogging drains. Incumbents serve as leadworkers to students and lower level Maintenance Repair Aids. This is the advanced journey level in the series.

Maintenance Repair Aid II: Under general supervision, incumbents perform the full range of duties described in the series concept. This is the journey level in the series.
