**CLASS SPECIFICATION**

<u>TITLE</u>	<u>GRADE</u>	<u>EEO-4</u>	<u>CODE</u>
<b>SUBSTANCE ABUSE COUNSELOR III</b>	<b>35</b>	<b>B</b>	<b>12.466</b>
<b>SUBSTANCE ABUSE COUNSELOR II</b>	<b>33</b>	<b>B</b>	<b>12.469</b>
<b>SUBSTANCE ABUSE COUNSELOR I</b>	<b>31</b>	<b>B</b>	<b>12.470</b>

**SERIES CONCEPT**

Substance Abuse Counselors perform professional duties in areas of screening, assessment, case management, education, and treatment of clients and perform related administrative duties and recordkeeping in accordance with the standards and requirements of the Nevada Board of Examiners for Alcohol, Drug and Gambling Counselors.

Perform initial screenings and assessments of clients; review personal history files and court documents and conduct personal interviews; gather pertinent information with the use of screening and assessment instruments such as Nevada Risk Assessment System (NRAS), American Society of Addiction Medicine (ASAM) and Diagnostic Statistical Manual (DSM) standards; diagnose and/or classify substance abusers, extent of alcohol and drug abuse and personality traits; determine classification, level of care, treatment needs and continuity of care.

Prepare written treatment plans; monitor and document client progress in relation to treatment plans, goals and objectives and adjust level of care accordingly; document contacts and services; prepare assessment, discharge, and progress reports and summaries as required.

Plan, develop, organize and conduct alcohol and drug abuse cessation and prevention classes; prepare course curriculum based upon the goals and objectives set by the facility; conduct orientation and individual and/or group counseling, intervention, education and referral; facilitate crisis and behavior intervention to include referral for mental health services and/or other resources; consult with and utilize other services, agencies, resources and professionals as needed.

Provide in-service training regarding counseling programs, education and services related to alcohol and drug abuse.

Prepare statistical documentation and reports on caseload activities and services.

Maintain ethics and confidentiality standards according to regulation.

Perform related duties as assigned.

**CLASS CONCEPTS**

**Substance Abuse Counselor III:** Under general direction, incumbents supervise the clinical practice of subordinate Substance Abuse Counselors; provide information and recommendations regarding clinical aspects of the program to management; facilitate therapeutic program activities; maintain program records and prepare periodic reports; provide technical guidance to professional program staff; and may provide direct treatment services to clients as required and as described in the series concept. This is the supervisory level in the series.

<b>SUBSTANCE ABUSE COUNSELOR III</b>	<b>35</b>	<b>B</b>	<b>12.466</b>
<b>SUBSTANCE ABUSE COUNSELOR II</b>	<b>33</b>	<b>B</b>	<b>12.469</b>
<b>SUBSTANCE ABUSE COUNSELOR I</b>	<b>31</b>	<b>B</b>	<b>12.470</b>

**CLASS CONCEPTS (cont'd)**

**Substance Abuse Counselor III:** (cont'd) Accept clients for clinical admission as recommended by medical/mental health intake staff; review lesson plans and treatment plans to ensure adherence to core curriculum requirements; monitor quality of care through review and evaluation of case records and activities; monitor the progress of clients through consultation with case managers and participation in treatment team meetings.

Coordinate and facilitate treatment planning, program activities, and the provision of services with other department personnel which may include custody or supervisory staff, psychologists, clinical social workers, nurses, substance abuse counselors and educators; participate in treatment planning for patients with co-occurring disorders; conduct treatment team meetings to discuss the client's progress and recommended course of treatment; monitor discharge planning; meet regularly with management regarding program standards and resources.

Supervise professional personnel including Substance Abuse Counselors and others to accomplish established goals and objectives; interview applicants; train staff in the use of the department's treatment curriculum, operations, and programming manual; assign work, provide guidance and motivation, evaluate performance and initiate disciplinary action as required.

**Substance Abuse Counselor II:** Under general supervision, incumbents perform the full range of duties described in the series concept. This is the journey level in the series and is distinguished from the lower level by greater independence, judgment and decision-making required, and completion of a Board-approved internship.

**Substance Abuse Counselor I:** Under close supervision of a Licensed Substance Abuse Counselor, incumbents gain knowledge of, and are trained in, the full range of duties described in the series concept. Incumbents must be certified as an Alcohol and Drug Abuse Counselor Intern by the Nevada Board of Examiners for Alcohol, Drug and Gambling Counselors. This is the entry level in the series. Progression to Substance Abuse Counselor II may only occur upon meeting minimum qualifications and with the recommendation of the appointing authority.
