SERIES CONCEPT

Business Enterprise Officers manage the daily business activities related to the Blind Enterprise Program and assist Business Enterprise Program Operators who work in the capacity of independent business owners. Incumbents provide training to operators in fiscal, operating, marketing and other management practices and procedures to ensure adherence to program requirements; monitor operators' performance through on-site inspections of the facility, observing operations and reviewing reports, and implement corrective action for non-compliance as necessary.

Develop cost estimates for facility construction, modification and expansion and participate in the planning and design of new food service facilities; monitor and approve installation of equipment to ensure conformance to specifications.

Assist in the formulation of procedures; recommend changes to existing policy and assist in the revision of the operator's manual.

Survey public properties for square footage, population, public access, traffic, services available in the area and other factors needing consideration in order to identify suitable sites for the establishment of vending facilities; prepare feasibility reports on sites including recommendations for the placement of service or the establishment of new facilities.

Receive, review and analyze fiscal reports submitted by operators to ensure accuracy, completeness and compliance to program rules and regulations; assess and notify operator of penalties if warranted.

Monitor contract and operating agreements including conducting a physical inventory of equipment, goods for sale, and operating supplies to enforce compliance; renew agreements/contracts or take control of operation if agreement/contract is terminated.

Assist operators in developing marketing strategies by researching trends and providing market information; assist in menu pricing and developing an in-house printed menu.

Perform related duties as assigned.
