

**STATE OF NEVADA**  
**Department of Administration**  
**Division of Human Resource Management**

**CLASS SPECIFICATION**

<u>TITLE</u>	<u>GRADE</u>	<u>EEO-4</u>	<u>CODE</u>
<b>PROPERTY APPRAISER II</b>	<b>34</b>	<b>B</b>	<b>7.433</b>
<b>PROPERTY APPRAISER I</b>	<b>32</b>	<b>B</b>	<b>7.447</b>

**SERIES CONCEPT**

Property Appraisers value real and personal property; conduct ratio studies to evaluate work of county assessors; value mining improvements and net proceeds of mines; research and develop agricultural values for approval by the Nevada Tax Commission; research and recommend appropriate appraisal and assessment standards for use by county assessors.

Determine the value of property for tax purposes; apply statistical procedures and analyze results to determine if valuations established by county assessors conform to the requirements of laws and generally accepted mass appraisal practices.

Review and analyze sales data to examine the accuracy of proposed land factors by county assessors within guidelines established by statute and regulations; prepare narratives including the findings, conclusions and recommendations related to the ratio study.

Conduct physical inspections to identify and measure construction characteristics of a variety of buildings and classify them as to use, character and quality of construction to determine the cost of buildings; identify land characteristics such as topographic and environmental characteristics which affect value.

Classify and value property by reviewing county assessor's records and/or physical inspection to ensure properties are valued correctly.

Consult with developers, contractors and others regarding construction costs, real estate brokers to determine local market conditions, and county assessors to provide appraisal assistance as well as to regulate their activities according to departmental policies and procedures.

Determine value of properties using income approach to value and apply accounting and financial procedures and techniques.

Prepare oral and written defense of appraisals to taxpayers and county and State Boards of Equalization and testify before the Nevada Tax Commission.

Conduct research in a variety of areas including issues for the Legislature; gather and compile information into reports and respond to questions from taxpayers in the field.

Assist in the valuation of intercounty and interstate utilities and transportation companies.

Provide training to county assessors regarding the determination of value of properties and the calculation of proceeds.

Perform related duties as assigned.
