## **DESIGNATION** (Family and Medical Leave Act)

Leave covered under the Family and Medical Leave Act (FMLA) must be designated as FMLA-protected and the employer must inform the employee of the amount of leave that will be counted against the employee's FMLA leave entitlement. In order to determine whether leave is covered under the FMLA, the employer may request that the leave be supported by a certification. If the certification is incomplete or insufficient, the employer must state in writing what additional information is necessary to make the certification complete and sufficient. Use of this form provides the written information required by 29 C.F.R. § 825.300(c), 825.301, and 825.305(c).
