NOTICE OF PROPOSED CLASSIFICATION CHANGES

Number: Posting #21-17
Posting Expires: April 5, 2017

Per NRS 284.160, the Administrator may make a change in classification without the prior approval of the Commission. The following change(s) are proposed

CURRENT				PROPOSED			
CODE	TITLE	GRADE	EEO-4	CODE	TITLE	GRADE	EE0-4
10.373	Community Health Nursing Manager	45	A		<i>ABOLISHED</i>		

Basis for Recommendation

As a result of an Individual Classification Specification Study, and in partnership with subject matter experts from the Department of Health and Human Services (DHHS), Division of Public and Behavioral Health (DPBH), Clinical Services, it was determined that the Community Health Nursing Manager classification should be abolished.

Working with DPBH, the Division of Human Resource Management determined that no position control number for Community Health Nursing Manager, 10.373, grade 45 exists within DPBH. The position was defunded and the classification will not be used by the agency in the future and therefore should be abolished.

It is therefore recommended that the Community Health Nursing Manager, 10.373, grade 45 be abolished.

Management within both DHHS and DPBH supports abolishing the Community Health Nursing Manager class specification.

Note: Changes, additions and/or deletions on the class specification are noted in red.

The formal recommendations and specifications are on file with the Division Administrator, Human Resource Management. To view a copy in Carson City, go to 209 East Musser Street, Room 101; in Las Vegas, go to 555 East Washington Avenue, Room 1400. For more information call (775) 684-0130.

Objections to the proposed change(s) must be received in writing by April 5, 2017. Objections should be addressed to Cassie Moir, Deputy Division Administrator, Compensation, Classification and Recruitment Section of the Division of Human Resource Management, 209 East Musser Street, Room 101, Carson City, Nevada 89701-4204.
