TO: DHRM Listserv Recipients

FROM: Peter Long, Administrator *Peter Long*
Division of Human Resource Management

SUBJECT: SUMMARY OF 2017 LEGISLATIVE SESSION BILLS AFFECTING
STATE EMPLOYEES

During the 2017 Legislative Session, the Division of Human Resource Management monitored a number of bills that could have an impact on State of Nevada employees and/or the operations of the Division. A summary of the bills that ultimately have or will become law can be found on our website or by clicking on this link: <http://hr.nv.gov/uploadedFiles/hrnv.gov/Content/StateEmployees/2017%20Bills%20Affecting%20State%20Employees.pdf>. Please note that this list is not intended to be a comprehensive listing of all bills impacting employees. Bills that only affected portions of the employee population and/or a specific department or division were not included on the summary. For a full list of the bills considered by the 2017 Legislature you may visit the Nevada Legislature's website or by clicking on this link: <https://www.leg.state.nv.us/Session/79th2017/Reports/>.

The Division is currently working on updating forms, publications, schedules, and training impacted by the outcome of the 2017 Legislative Session. Additionally, the Division has proposed several new regulations and the amendment or the repeal of current regulations that are necessary to implement the new laws. Announcements of workshops and hearings will be sent via this Listserv and will be posted on the Division's website at this link: <http://hr.nv.gov/Boards/Boards/commissions/>.

We hope that you find this information helpful and we look forward to working with you to implement these changes.
