**EXPLANATIONS OF PROPOSED CHANGES**  
**LCB File No. R057-18**

**Section 1: NAC 284.470 Preparation, filing, contents, discussion and distribution of reports; powers and duties of employees; review; adjustment of grievances.**

This amendment is intended to clarify the procedure related to employee reports on performance. The most significant amendment removes “reviewing officer” from the regulation. It is intended that an appointing authority could complete the review process or delegate the process to an appropriate staff member. Regardless of how the appointing authority chooses to handle a request for review of a report on performance, he or she must render a decision, sign, send and file a copy of the report on performance within 20 working days. The amendment also expands the methods for transmittal of a report on performance to include any reasonable means of delivery, except for social media, that provides a written or electronic record of the date which the report is received. Additionally, several housekeeping changes are also proposed to clarify the procedure.

**Section 2: NAC 284.678 Submission, form and contents of grievance; informal discussions.**

This amendment makes several conforming changes based on the amendments proposed in other sections of this LCB File.

**Section 3: NAC 284.690 Filing of grievance with highest administrator of department; action by highest administrator.**

This amendment makes several conforming changes based on the amendments proposed in other sections of this LCB File.

**Section 4: NAC 284.693 Removal of ineligible request for adjustment of grievance or complaint from procedure; notice; appeal.**

This amendment will require the Division of Human Resource Management to remove a grievance from the grievance process if it is determined to be related to an issue between coworkers or because of a rejection from a trial period.

**Section 5: NAC 284.097, 284.474 and 284.478 are repealed.**

This section repeals three regulations. NAC 284.097 and 284.478 are proposed to be repealed because “reviewing officer” will no longer exist in regulation per the amendment to NAC 284.470. NAC 284.474 is proposed to be repealed because the requirement that an employee must be given a copy of his or her report on performance is proposed to be included in NAC 284.470.

**REVISED PROPOSED REGULATION OF THE  
PERSONNEL COMMISSION**

**LCB File No. R057-18**

November 7, 2018

EXPLANATION – Matter in *italics* is new; matter in brackets ~~omitted material~~ is material to be omitted.

AUTHORITY: §§1-5, NRS 284.065, 284.155, 284.340 and 284.384.

A REGULATION relating to state employees; revising provisions concerning reports on performance; revises provisions relating to adjustment of grievances; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Existing law requires each appointing authority to periodically file a report with the Administrator of the Division of Human Resource Management of the Department of Administration on the performance of certain employees. (NRS 284.340) Existing regulations prescribe the procedure for the preparation, discussion and filing of a report on performance. (NRS 284.470, 284.474, 284.478) Existing regulation requires the immediate supervisor of an employee to discuss the report on performance with the employee or to mail such a report to the employee if the employee is unavailable to discuss the report because of an extended absence. Existing regulation also requires such an employee who contests the report on performance and requests a review to respond to the report in writing and return the response to the supervisor. (NAC 284.470) **Section 1** of this regulation requires that the discussion of the report on performance occur between the employee and the person who prepared the report, which may not be the employee's immediate supervisor. **Section 1** also clarifies the manner in which an employee completes his or her portion of the report, including a request for a review of the report by the appointing authority. **Section 1** also expands the methods by which the person who prepared a report may transmit such a report to an unavailable employee and by which the unavailable employee may transmit a report from only mail to other reasonable methods of delivery that provide a written or electronic record of the date on which the report is received, except for social media.

**Section 1** additionally: (1) removes the requirement that a reviewing officer review a contested report on performance and submit a recommendation to the appointing authority regarding the report and instead only requires the appointing authority to review such a report; and (2) changes the number of days in which the appointing authority must render a final decision regarding such a report from 10 working days to 20 working days. **Sections 2, 3 and 5** of this regulation make conforming changes.

Existing regulations define “rating of performance” to mean the overall rating of an employee’s performance which is included in the report on performance of an employee. (NAC 284.0915) **Section 1** removes redundant references to “overall” with respect to a rating of performance without altering any substantive requirements.

Existing regulation prescribes the actions that the Division is required to take if a request for the adjustment of a grievance is not eligible for the procedures for adjusting grievances. (NAC 284.693) **Section 4** of this regulation clarifies that the procedures for adjusting grievances do not apply to situations involving coworkers and to persons who were rejected during their trial periods.

**Section 1.** NAC 284.470 is hereby amended to read as follows:

284.470 1. A person shall not ~~complete~~ *prepare* a report on performance unless he or she has completed the training provided or approved by the Administrator concerning the preparation of a report on performance.

5. If an untimely report on performance:

(a) Is filed thereafter, the employee's file of employment will be updated to reflect the ~~{overall}~~ rating of performance of the employee as reported, but that rating will not affect any merit pay increase to which the employee is otherwise entitled.

6. If the performance of an employee falls below standard, his or her supervisor shall inform the employee promptly and specifically of the deficiencies in the performance of the employee regardless of whether a report on performance of the employee is ~~{completed}~~ prepared or filed.

**Regulation Small Business Impact Statement**

Section 15 of Article 15 of the Nevada Constitution requires the Legislature to provide for a State merit system governing the employment of employees in the Executive Branch of State government and in 1969 the Legislature provided for such in NRS 284. Additionally, NRS 284.013 provides limitations to which employees of the Executive Branch are covered by NRS 284. NRS 284.065 authorizes the Personnel Commission to adopt regulations to carry out the provisions of this chapter.

Due to the limitations of the Nevada State Constitution and NRS 284, the Division of Human Resource Management staff has determined that the adoption of these proposed regulations does not affect small businesses, impose a significant economic burden on small businesses, nor will the regulations restrict the formation, operation or expansion of small businesses. These regulations only impact employees of the Executive Branch.

*I certify that to the best of my knowledge or belief, a concerted effort was made to determine the impact of the proposed regulations on small businesses and that the information contained in this statement was prepared properly and is accurate.*
