**SUBJECT:** SUMMARY OF 2019 LEGISLATIVE SESSION BILLS AFFECTING STATE EMPLOYEES

---

During the 2019 Legislative Session, the Division of Human Resource Management monitored a number of bills that could have an impact on State of Nevada employees and/or the operations of the Division. A summary of the bills that ultimately have or will become law can be found on our website or by clicking on this link: <http://hr.nv.gov/uploadedFiles/hrnv.gov/Content/Home/Features/2019%20Bills%20Affecting%20State%20Employees06122019.pdf>. Please note that this list is not intended to be a comprehensive listing of all bills impacting employees. Bills that only affected portions of the employee population and/or a specific department or division were not included on the summary. For a full list of the bills considered by the 2019 Legislature you may visit the Nevada Legislature's website or by clicking on this link: <https://www.leg.state.nv.us/Session/80th2019/Reports/>

The Division is currently working on updating forms, publications, schedules, and training impacted by the outcome of the 2019 Legislative Session.

We hope that you find this information helpful and we look forward to working with you to implement these changes.
