SUBJECT: Nevada Certified Public Manager Program - Class 9 Announcement

We are pleased to announce the start of the Fiscal Year 2011 – 2012 classes of the Nevada Certified Public Manager Program (NVCPM), a nationally recognized and accredited leadership development program for the public sector. Upon completion, successful candidates will be awarded the designation of Certified Public Manager (CPM).

The NVCPM Program is a 17-month program consisting of 300+ hours of instruction and structured learning activities focused on the development of key management and leadership competencies for public managers. The primary objective of this Program is to develop core competencies that are the foundation of managerial excellence in government. Please visit our web site for more information at: <http://dop.nv.gov/CPMHome.html>

We are asking for your assistance in selecting individuals from your department to participate in this exciting Program. State agencies will again have the opportunity to nominate committed and interested employees for this Program based on the NVCPM Selection Schedule (Attachment #1).

The Department of Personnel has received funding to support the costs of the required classroom instruction for 40 candidates to complete Levels I – VI of the NVCPM Program. Travel and elective hour costs (dependent on provider) will be the participant/agency responsibility.

The 2011 - 2012 Program classes will be conducted in both Carson City and Las Vegas, with classes running consecutively in both cities. These classes will begin with the required two-hour Program Orientation for the Carson City class on June 20, 2011, and for the Las Vegas class on July 8, 2011. Please review Attachment #2 that documents the Program Implementation Schedule. To properly manage the logistics of attendance, we request that you select individuals based on the Selection Schedule and Eligibility Criteria as specified in Attachment #1.

A successful program participant is someone who has demonstrated the following. We have added a section to the Program Application asking the candidate to cite examples sharing how they have exhibited each of the below qualities and characteristics.
