July 16, 2012

TO: Department Directors

Agency Personnel Representatives
Agency Personnel Liaisons

FROM: Lee-Ann Easton, Administrator *Lee-Ann Easton*
Division of Human Resources Management

SUBJECT: RULES FOR STATE PERSONNEL ADMINISTRATION -
REPUBLISHED

The Division of Human Resource Management (DHRM) has republished the *Rules for State Personnel Administration* to reflect updated Nevada Administrative Code and Nevada Revised Statutes with the most recent codified versions of each. This publication replaces all previous versions of this book.

Since its last publishing, we had received recommendations to change the page numbering from a straight forward numbering system to a Section Letter and numbering combination. Each section has been given a letter and each page affiliated with that section has been given a number. For example: NAC 284.025 "Base Rate of Pay" is located under "General Provisions A" and can be found on page A-2 which is listed on the bottom right hand corner. The title of the section is now also listed on each page at the bottom left hand corner for easy referencing.

The *Rules for State Personnel Administration* may also be found online on the DHRM website under "Rules". Please contact the Consultation and Accountability Unit if you have any questions at (775) 684-0148.

Thank you
