

DEPARTMENT OF HEALTH AND HUMAN SERVICES
DIVISION OF PUBLIC AND BEHAVIORAL HEALTH**CHIEF MEDICAL OFFICER for
the DIVISION OF PUBLIC AND BEHAVIORAL HEALTH**

The Division of Public and Behavioral Health (DPBH) is seeking qualified candidates to serve as the state-wide **CHIEF MEDICAL OFFICER** for the division. This position is located in Carson City, NV and is a key member of the DPBH leadership team, engaged in defining the overall strategy and direction of the Division. It provides medical oversight for public health and population health activities including; interpreting, implementing and providing guidance on federal and state laws and Board of Health regulations; investigating causes of disease, epidemics, and source of mortality and nuisances affecting the public health and life of the people. In addition, this position guides the overall clinical vision, and provides medical oversight, for the Division's behavioral health agencies. Will also serve on the State Board of Health and work cooperatively with local Boards of Health and health districts. Develop the Division's public and behavioral health strategies in collaboration with stakeholders.

The ideal candidate will be a clinical leader with the energy, knowledge of population health and work ethic to make a difference in the health of Nevada. Willing to provide direction and vision for the provision of health care in this changing environment with an increase in the acuity due to the comorbidity of primary medical issues, psychiatric issues and forensic issues. A willingness to challenge the norm, and implement new ideas, confident enough to routinely partner with community leaders and respectful enough to encourage a successful medical operation to be best in class!

QUALIFICATIONS: Licensure or eligible for licensure as a physician or administrative physician in Nevada, the District of Columbia or in any state or territory of the United States; or a physician or administrative physician who has a master's degree or doctoral degree in public health or a related field. At least five (5) years' experience in public health in a managerial capacity is required.

SALARY and BENEFITS: This position is compensated up to \$228,996 (employer/employee paid retirement). Excellent benefits package including health, dental and vision insurance, Public Employees Retirement Plan, three weeks paid vacation, three weeks' sick leave, eleven paid holidays and no state, county, city or social security tax! In addition, relocation assistance may be available.

TO APPLY: Please submit a cover letter and CV/resume detailing your experience, responsibilities, the nature and size of the organization/programs worked for, salary history, and professional references to:
