Is Seeking...
Senior Psychiatrists

Southern Nevada Adult Mental Health Services (SNAMHS) currently seeking **Psychiatrists** for our Agency located in Las Vegas, NV. SNAMHS is a State of Nevada agency whose Mission is to help adults with mental illness improve their quality of life, by providing inpatient and outpatient mental health services for the Southern Nevada community. We are committed to developing innovative programs and service delivery systems to a diverse patient population. Our greatest asset is 740+ professional staff dedicated to the betterment of the lives of our consumers. We are committed to a culture of life-long learning and our employees know that SNAMHS is a place to grow, develop and build careers that are both dynamic and satisfying. It is our intention to provide an environment which fully respects human dignity and consistently reflects human caring. Some of the services we provide include Psychiatric Services, Inpatient Services, Mobile Crisis, Outpatient Counseling, Service Coordination, Intensive Service Coordination, Medication Clinic, Residential Support Programs, Mental Health Court, and Programs for Assertive Community Treatment (PACT) teams. Inpatient services are provided through our state-of-the-art Rawson-Neal Psychiatric Hospital, which began serving the community on August 28, 2006. Outpatient services are provided through three mental health clinics located throughout the community and two rural locations. We are accredited by the Joint Commission and Centers for Medicare and Medicaid Services (CMS).

SALARY AND BENEFITS: Potential earnings for full-time up to \$187,711. **National Health Service Corps Loan Repayment Program available in our NHSC approved sites. Relocation & J-1/H-1 Visa assistance is available.** Excellent benefits package including health, dental and vision insurance, Public Employees Retirement Plan, three weeks paid vacation, three weeks sick leave, holidays and no state, county, city or Social Security tax!

DESCRIPTION: Incumbents participate and lead a multidisciplinary team managing a wide variety of patients and diagnoses. Dynamic work responsibilities include providing assessments and evaluating patients; plan and review care and treatment of individual patients; prescribe medications; prepare reports and case histories; interpret medical records. Ensure regulatory and Joint Commission compliance. Participate in the Resident training and Internship programs, with possible University Medical School affiliation.

EDUCATION AND EXPERIENCE: Applicants must be Board Certified/Board Eligible Psychiatrists and be eligible for licensure in the State of Nevada. Must possess and maintain NV medical license, DEA certification, State Board of Pharmacy license and CPR certification at the time of appointment. Pursuant to NRS 284.4066, all positions in this class have been identified as affecting public safety. Persons offered employment in this class must first submit to a pre-employment screening for controlled substances. Fingerprinting and a background investigation through the FBI and NHP are required. The employee is responsible for all fingerprinting fees.

SPECIAL NOTES AND REQUIREMENTS: NRS 433.267 requires that Psychiatrists employed by the Division of Public and Behavioral Health be certified by the American Board of Psychiatry and Neurology within five years from the date of employment.
