### General Information/Purpose

The Front Desk Technology Clerk records and takes detailed notes of the business that comes before the Senate during Legislative Floor Sessions and also cross-checks bill actions on the Senate Floor for accuracy and status.

Senate employees are **nonpartisan** and do not attempt to influence members of the Legislature, other State employees, or members of the general public regarding policy matters or pending legislation and do not let personal opinions or positions affect work procedures or product. Given the nonpartisan nature of the position, all employees of the Senate are prohibited from engaging in certain political activities. Senate employees are expected to establish and maintain courteous and effective relationships when interacting with all Legislators, legislative staff, lobbyists, the media and the general public (regardless of political affiliation), demonstrating high professional, ethical and confidentiality standards consistent with Senate policies.

The Front Desk Technology Clerk performs a variety of functions both independently and in a team environment. Depending on the workload of the team, the Front Desk Technology Clerk may be required to work more than eight hours in a day or to work on a holiday or weekend with little or no advance notice. Senate Session employees are paid for seven days per week during the Legislative Session with no payment for overtime; prior to and after the Legislative Session, staff is paid on an hourly basis. The Front Desk Technology Clerk is subject to a performance appraisal process prior to the end of the Legislative Session.
