COLLECTION/TESTING CONTACT INFORMATION

The State's testing vendor provides collection services for alcohol and drug testing through a nationwide network of sites. If you need a collection location outside of the State, contact the State's current vendor for assistance. The current vendor's contact information is listed in the [State of Nevada Alcohol & Drug Program](#).

IMPORTANT-Before taking an employee to a collection site, call the collection site to verify their information (e.g., physical address, hours of operations, services offered). When utilizing a mobile collection in a rural location, ask for the estimated time of arrival.
