## REGULATIONS PROPOSED FOR PERMANENT ADOPTION

**Explanation of Proposed Change:** Pursuant to S.B. 505 of the 2011 Legislative Session, this amendment modifies the furlough leave regulation to reflect the amount of furlough leave that each employee must take in fiscal years 2012 and 2013. Additionally it sets the minimum number of hours that must be taken during certain periods of the fiscal year to ensure that employees are systematically taking their required furlough leave.

Employees may exceed the minimum quarterly requirement as long they do not exceed the maximum furlough requirement for the fiscal year and they do not furlough more than once in a workweek, e.g., a full-time employee may take, with management approval, 16 hours of furlough leave in the first quarter of the year, 8 hours in the 2<sup>nd</sup> quarter, 16 hours in the 3<sup>rd</sup> quarter, and 8 hours in the 4<sup>th</sup> quarter for a total of 48 hours for the fiscal year.

Staff recommends that this regulation remain in effect through June 30, 2013 when the furlough leave requirement ends.

(a) A full-time ~~{classified}~~ employee shall take ~~{8 hours of furlough leave each month and a part-time classified employee shall take a number of hours of furlough leave per month that is equivalent to the portion of an 8 hour day that his scheduled workweek or biweekly schedule bears to a full-time workweek or biweekly schedule.}~~

A part-time employee, other than a part-time classified employee, shall take a number of hours of furlough leave per month that is equivalent to the portion of an 8-hour day that his scheduled workweek or biweekly schedule bears to a full-time workweek or biweekly schedule. To the extent practicable, an employee who is required to take furlough leave and his or her supervisor shall jointly determine in advance a schedule pursuant to which the employee will take furlough leave. 5. Movement of an employee from one position to another position must not alter the amount of furlough leave required to be taken by the employee.

(c) Be required to take more furlough leave than the amount of furlough leave required by the provisions of Senate Bill No. ~~433, chapter 391, Statutes of Nevada 2009, at page 2147.~~ **505 of the 2011 Legislative Session.**

9. If an employee who leaves state service has taken more than the equivalent of ~~8~~ **12** hours of furlough leave per ~~month~~ **quarter** at the time of his separation from state service, the employee will not be reimbursed for the additional furlough leave taken.

10. Any furlough leave that an employee takes must be considered time worked for the purpose of calculating the employee's eligibility to take leave under the federal Family and Medical Leave Act. Any furlough leave that is taken during the time in which an employee takes leave that qualifies under the Family and Medical Leave Act will not be counted against the amount of leave for which an employee is entitled to take under the Family and Medical Leave Act.
