**REGULATION AMENDMENTS PROPOSED  
FOR PERMANENT ADOPTION AND REPEAL**

**LCB File No. R041-15**

**Section 1. NAC 284.097 is hereby amended to read as follows:**

**Explanation of Proposed Change:** This amendment, proposed by the Division of Human Resource Management, is contingent upon the adoption of the amendments to NAC 284.470. Subsection 2 of NAC 284.097 refers to paragraph (b) of subsection 7 of NAC 284.470. A new subsection was added to NAC 284.470, which resulted in the necessity to renumber subsections 4 through 12 of NAC 284.470. As such, the reference to paragraph (b) of subsection 7 of NAC 284.470, will now be paragraph (b) of subsection 9 of NAC 284.470.

**NAC 284.097 “Reviewing officer” defined. (NRS 284.065)** “Reviewing officer” means:

1. The supervisor of the person who prepared a report on performance of an employee; or
  2. Such other person designated by the appointing authority,
- ↳ who reviews the report on performance upon the request of the employee pursuant to paragraph (b) of subsection ~~7~~ 9 of NAC 284.470.

(Added to NAC by Personnel Comm’n by R038-03, eff. 10-30-2003; A by R144-05, 12-29-2005; R056-10, 10-26-2011)

**Section 2. NAC 284.470 is hereby amended to read as follows:**

**Explanation of Proposed Change:** The first amendment to this regulation, proposed by the Division of Human Resource Management (DHRM), clarifies the effect of a report on performance that is filed timely, untimely or not at all for purposes of both pay and performance rating. The second amendment to this regulation, also proposed by the Division, will allow an appointing authority to designate an individual to act on his or her behalf when agreeing to an extension of a time period as provided in subsection 13 of this regulation. The Consultation & Accountability Unit of the Division receives many inquiries surrounding this regulation as it is currently written, and it is important for supervisors and employees to understand the effect each scenario has both on the employer and employees in terms of pay and performance rating.

Through this proposed change, DHRM intends to encourage that a report of performance be submitted for all employees, even if the times specified in statute have not been met and the employee has received his or her merit salary increase (MSI). A report of performance serves as a summary of an employee’s performance during a certain period, recognizing good performance, noting deficiencies when necessary, and documenting employee development plans. When a report on performance is not submitted for an employee, the employee’s positive or negative performance typically is undocumented. Additionally, if a report on performance is not submitted for an employee who has applied for a transfer or a promotion to another agency, a current summary of his or her performance will not be available to an agency when making its hiring decision.

When a report on performance is filed with DHRM on or before the times prescribed by NRS 284.340, and the employee has achieved an overall rating of meets or exceeds standards, he or she is eligible for an MSI, unless the top step of his or her grade has been attained. Also under these circumstances, the employee's file of employment will reflect the rating received on the report on performance that has been timely filed.

If a report on performance is not filed on or before the time as specified in NRS 284.340, the employee will receive his or her MSI, unless the top step of his or her grade has been attained. If a report on performance is filed after the time as specified, the new rating will be reflected in the employee's file of employment at the time the report on performance is submitted to DHRM.

If a report of performance is not filed on or before the times as specified in NRS 284.340 and a subsequent report on performance for the rating period is not filed, the employee will be considered standard for pay purposes only and will receive his or her MSI, unless the top step of the grade has been attained. In this situation, the employee's file of employment will display no actual performance rating for that period.

Currently, the Nevada Employee Action and Timekeeping System (NEATS) is undergoing an upgrade to electronically capture the duties assigned, essential functions, and work performance standards for a position. It will also allow this data to be updated and archive previous versions for historical purposes. Additionally it will automatically populate an employee's evaluation with the employee's most up-to-date work performance standards. The supervisor will then complete the employee's evaluation online in the system. After the supervisor and employee have met, the employee and subsequent levels of approval will be applied online. We believe these system improvements will support a supervisor's ability to submit timely performance evaluations.

The amendment to subsection 13 authorizes an appointing authority to appoint a designee to extend the date related to 90 day follow-up evaluations for a substandard rating on a report on performance, or to extend the timelines for either a request for review by a reviewing officer, or the period of time for the reviewing officer to respond to such a request.

**NAC 284.470 Preparation, filing, contents, discussion and distribution of reports; powers and duties of employees; review; adjustment of grievances. (NRS 284.065, 284.155, 284.340, 284.383, 284.384)**

1. A person shall not complete a report on performance unless he or she has completed the training provided or approved by the Administrator concerning the preparation of a report on performance.

2. A report on performance must be prepared on the form prescribed by the Division of Human Resource Management.

3. A report on performance must be filed at the times prescribed by NRS 284.340, but may be filed more frequently at the discretion of the supervisor of the employee.

*4. If a report on performance is filed on or before the times specified in NRS 284.340, the overall rating of performance of the employee will be reflected in the employee's file of employment and the employee will receive a merit pay increase if he or she is otherwise eligible for the increase pursuant to NAC 284.194.*

5. If a report on performance is not filed on or before the times specified in NRS 284.340, the performance of the employee shall be deemed to be standard ~~4.~~ *for the purpose of determining the salary of the employee and the employee will receive a merit pay increase if he or she is otherwise eligible for the increase pursuant to NAC 284.194. If an untimely report on performance:*

*(a) Is filed thereafter, the employee's file of employment will be updated to reflect the overall rating of performance of the employee as reported, but that rating will not affect any merit pay increase to which the employee is otherwise entitled.*

*(b) Is not filed thereafter, the employee's file of employment will not include an overall rating of performance of the employee for that period of evaluation.*

6. If the performance of an employee falls below standard, his or her supervisor shall inform the employee promptly and specifically of the deficiencies in the performance of the employee regardless of whether a report on performance of the employee is completed or filed.

~~5.~~ 7. If any information that would have affected the rating of performance of an employee during a period of evaluation becomes available after the date on which the report on performance of the employee is filed for that period, the information may be included in the report on performance for the current period of evaluation and taken into consideration in determining the rating of performance for the current period of evaluation.

~~6.~~ 8. When a report on performance is given which reports the overall rating of performance of an employee as substandard:

(a) The report must contain a written notice that such reports affect ~~both~~ merit pay increases ; ~~and the employee's eligibility for longevity pay;~~ and

(b) An additional report on the performance of the employee must, in accordance with subsection 4 of NRS 284.340, be filed at least once every 90 days after the initial report that includes the substandard rating until the performance of the employee improves to standard or disciplinary action is taken against the employee.

~~7.~~ 9. Except as otherwise provided in subsection ~~8.~~ 10, the preparation of each report on performance must include a discussion between the employee and his or her immediate supervisor. Within 10 working days after the discussion takes place:

(a) The employee must complete and sign the appropriate section on the report on performance and return the report to the supervisor for forwarding to the reviewing officer or appointing authority.

(b) If the employee contests the report on performance and requests a review, he or she must respond to the report in writing, identify the specific points of contention, if such specificity is provided, and return the response to the supervisor. Except as otherwise provided in this paragraph, the reviewing officer shall respond in writing on a form prescribed by the Division of Human Resource Management within 10 working days after the supervisor receives the request for review. If the reviewing officer is not the appointing authority, the reviewing officer must submit to the appointing authority a recommendation to uphold or modify the report on performance. The appointing authority shall review the recommendation of the reviewing officer regarding the contested report on performance and render a final decision to the employee within 10 working days after receiving the recommendation.

~~8.~~ 10. If an employee is unavailable for a discussion of the report on performance pursuant to subsection ~~7.~~ 9 because of an extended absence, the immediate supervisor of the employee shall cause the report to be mailed to the employee. Within 10 working days after the date on which the employee receives the report:

(a) The employee must complete and sign the appropriate section on the report on performance and mail the report to the supervisor for forwarding to the appointing authority or reviewing officer.

(b) If the employee contests the report on performance and requests a review, he or she must respond to the report in writing, identify any specific point of contention, if the report provides such specificity, and mail the response to the supervisor. Except as otherwise provided in this paragraph, the reviewing officer shall respond in writing on a form prescribed by the Division of Human Resource Management within 10 working days after the supervisor receives the request for review. If the reviewing officer is not the appointing authority, the reviewing officer must submit to the appointing authority a recommendation to uphold or modify the report on performance. The appointing authority shall review the recommendation of the reviewing officer regarding the report on performance and render a final decision to the employee within 10 working days after receiving the recommendation. For the purposes of this paragraph, a report on performance or request for review is deemed to have been received on the third day after the date on which the report or request is postmarked.

~~19.11.~~ **11.** A copy of each report on performance and, if applicable, any written response to such a report requested by an employee pursuant to subsection ~~7.9~~ **9** or ~~8.10~~ **10** must be provided to the employee and filed with the Division of Human Resource Management.

~~10.12.~~ **12.** If any written comments are added to a report on performance after a copy of the report has been provided to the employee pursuant to subsection ~~9.11:~~ **11:**

(a) A copy of the revised report which includes the written comments must be provided to the employee; and

(b) The employee may respond, in writing, to the additional comments in the revised report not later than 10 working days after receiving a copy of the revised report and submit the response to the Division of Human Resource Management for inclusion in his or her file of employment.

~~11.13.~~ **13.** An employee and his or her appointing authority *or the designee of the appointing authority* may agree in writing to extend one or more of the periods prescribed in subsection ~~7.9~~ **9** or ~~8-~~ ~~12.10.~~ **10.**

**14.** If a reviewing officer fails to respond to a request for review from an employee within the time required by this section, the employee may institute the procedure for the adjustment of a grievance pursuant to NAC 284.658 to 284.6957, inclusive.

**LCB File No. R042-15**

**Section 1. NAC 284.394 is hereby amended to read as follows:**

**Explanation of Proposed Change:** This amendment, proposed by the Division of Human Resource Management, will create consistency with NAC 284.394, which pertains to transfers initiated by appointing authorities, also referred to as involuntary transfers, and NAC 284.6561, which pertains to hearings regarding a dismissal, suspension or demotion.

NAC 284.589 currently requires, under certain circumstances, the granting of administrative leave to an employee so that he or she can appear at a hearing regarding his or her dismissal, suspension or a demotion. The first proposed amendment to NAC 284.589 will require the granting of administrative leave for an employee to appear at his or her hearing related to an involuntary transfer, as well as a claim of reprisal or retaliation based on the disclosure of improper governmental action.

Also, NAC 284.589 currently requires, under certain circumstances, that 8 hours of administrative leave be granted to an employee so that he or she can prepare for a hearing regarding an involuntary transfer, a dismissal, a suspension or a demotion. The second proposed amendment to NAC 284.589 will require the granting of 8 hours administrative leave for an employee to prepare for his or her hearing related to a claim of reprisal or retaliation based on the disclosure of improper governmental action.

Because the granting of administrative leave for these purposes will now be outlined in NAC 284.589, it is unnecessary to include in NAC 284.394 that an employee has the ability to request such leave.

The Division of Human Resource Management intends to include an informational note, such as the example below, in the *Rules for State Personnel Administration* publication explaining that administrative leave must be granted, under certain circumstances, to an employee to prepare for and attend a hearing regarding an appeal of his or her involuntary transfer. The informational note will ensure that it is clear that administrative leave may still be requested for this type of appeal hearing, and will direct individuals to the administrative leave regulation, NAC 284.589.

**INFORMATIONAL NOTE:** NAC 284.589 provides for, under certain circumstances, 8 hours of administrative leave to prepare for an appeal hearing regarding an involuntary transfer, as well as administrative leave to attend such hearings.

**NAC 284.394 Transfers initiated by appointing authorities. (NRS 284.065, 284.155, 284.375)**

1. Except as otherwise provided in subsection 2, an appointing authority may, after giving 5 working days' notice, transfer for the convenience of this State any employee to another position in:

- (a) The same class; or
- (b) A comparable class with the approval of the Division of Human Resource Management.

2. The notice required by subsection 1 need not be given if the transfer does not exceed 10 working days. If a bona fide or justifiable emergency exists, a transfer may be made immediately with the prior approval of the Division of Human Resource Management.

3. A transfer pursuant to this section must not be made to harass or discipline an employee.

4. A permanent employee who is required to transfer to a different geographical location and who declines the transfer has the same rights provided in NAC 284.630 as an employee who is laid off.

5. If an employee requests a hearing to appeal an involuntary transfer pursuant to NRS 284.376, the appointing authority may temporarily assign the employee, on a per diem basis, to transfer pending disposition of the appeal. ~~[The employee may request leave pursuant to NAC 284.589 to prepare for the hearing relating to the involuntary transfer.]~~

6. As used in this section, “geographical location” has the meaning ascribed to it in NAC 284.612.

[Personnel Div., Rule VI § D subsec. 5, eff. 8-11-73]—(NAC A by Dep’t of Personnel, 10-18-89; A by Personnel Comm’n by R183-03, 1-27-2004)

**Section 2. NAC 284.589 is hereby amended to read as follows:**

**Explanation of Proposed Change:** This amendment, proposed by the Division of Human Resource Management, will create consistency between hearings related to the dismissal, suspension or demotion of an employee, hearings related to the involuntary transfer of an employee and hearings related to a claim of reprisal or retaliation due to the disclosure of improper governmental action. Because employee preparation for, and his or her attendance at, such hearings is necessary so that the hearing officer can gather information from both parties, this change will mandate the approval of administrative leave for these purposes. The appearance of witnesses at such hearings will be allowable for all of the types of hearings listed above.

**NAC 284.589 Administrative leave with pay. (NRS 284.065, 284.155, 284.345, 284.383, 284.385, 284.390)**

1. An appointing authority may grant administrative leave with pay to an employee:

(a) To relieve the employee of his or her duties during the active investigation of a suspected criminal violation or the investigation of alleged wrongdoing;

(c) For up to 30 days to remove the employee from the workplace when he or she has committed or threatened to commit an act of violence;

(d) For up to 2 hours to donate blood;

(f) To attend a general employee benefits orientation or an educational session relating to employee benefits, including, without limitation, retirement and deferred compensation.

2. The appointing authority, upon approval of the Risk Management Division, may extend administrative leave with pay granted to an employee for a purpose set forth in paragraph (b) or (c) of subsection 1.

3. If an employee is granted administrative leave with pay pursuant to subsection 1 or 2, the employee must be available:

- (a) By telephone to the supervisor of the employee; and
- (b) To report to a work site or another location, as directed by the supervisor of the employee, during regular business hours.

4. Except as otherwise provided in subsection 5, an appointing authority or the Division of Human Resource Management may grant administrative leave with pay to an employee for any of the following purposes:

(a) His or her participation in, or attendance at, activities which are directly or indirectly related to the employee's job or employment with the State but which do not require him or her to participate or attend in an official capacity as a state employee.

(b) His or her safety during an emergency when employees have been authorized by the Governor not to report to work or to leave work before the end of their shifts during the emergency, including, without limitation, emergencies relating to enemy attacks or other hostile actions, natural causes or other catastrophes, except for employees who are designated as essential and notified that they are required to report to work or remain at work.

(c) Closure of the employee's office or work site caused by a natural disaster, pandemic or other similar adverse condition when the employee is scheduled and expected to be at work. An appointing authority may designate certain employees as essential and notify them that they are required to report to work.

(e) His or her appearance as an aggrieved employee or a witness at a hearing of the Committee.

(f) His or her appearance as ~~an appellant or~~ a witness at a hearing ~~conducted pursuant to NRS 284.390 by a hearing officer of the Division of Human Resource Management.~~ *regarding a matter described in subparagraph (1), (2) or (3) of paragraph (e) of subsection 6.*

(g) His or her appearance to provide testimony at a meeting of the Commission.

5. An appointing authority or the Division of Human Resource Management shall grant administrative leave with pay to an employee for a purpose set forth in paragraph (e), (f) or (g) of subsection 4 if:

(a) The employee requests the administrative leave for a period of time that is reasonably needed to testify at the hearing or meeting;

(b) The employee requests the administrative leave at least 2 weeks before the leave is needed, unless such notice is impractical; and

(c) The absence of the employee will not cause an undue hardship to the operations of the appointing authority or adversely impact the provision of services to clients or to the public.

6. An appointing authority shall grant administrative leave with pay to an employee for any of the following purposes:

(a) The initial appointment and one follow-up appointment if the employee receives counseling through an employee assistance program, including, without limitation, consultations provided in person or telephonically.

(b) His or her attendance at a health fair or related event coordinated by the Public Employees' Benefits Program.

(c) His or her participation in an official capacity as a member of a committee or board created by statute on which he or she serves as a representative of state employees. (d) Up to 8 hours for preparation for ~~all hearings~~ *any hearing described in paragraph (e).*

(e) *The appearance of the employee as a party at a hearing* regarding ~~it~~:

*(2) An involuntary transfer of the employee as provided in NRS 284.376; or*

*(3) A suspension, demotion or dismissal of the employee as provided in NRS 284.390 and NAC 284.6561.*

~~(e) Up to 8 hours for preparation for all hearings regarding an involuntary transfer of the employee.~~

### Section 3. NAC 284.656 is hereby amended to read as follows:

**Explanation of Proposed Change:** S.B. 62 of the 2015 Legislative Session amends NRS 284.385, which is related to the dismissal, involuntary demotion and suspension of State of Nevada employees in the classified service. The requirement for delivery in person or by mail in subsection 3 of NRS 284.385 has been removed. Language has been added to the statute requiring that regulations be adopted setting forth the procedures for properly notifying a classified employee of dismissal, involuntary demotion or suspension.

The preferred method of delivery is in-person but if the employee is not available the proposed regulation would allow for delivery services other than just the U.S. Postal Service. This amendment, proposed by the Division of Human Resource Management, will provide increased speed of delivery and reliability by modernizing methods by which agencies may provide notice of the disciplinary actions listed above. The amendment will allow agencies to use alternative carriers such as Federal Express or United Parcel Service, as long as the carrier provides proof that the notice was sent and that it was delivered.

**NAC 284.656 Notice. (NRS 284.065, 284.155, 284.383, 284.385, 284.390)** Except as otherwise provided in NAC 284.6563, if an appointing authority proposes that a permanent employee be dismissed, suspended or demoted, the following procedure for providing notice of the proposed action must be followed:

1. The employee must be given at least 10 working days' written notice of the proposed action on the form provided by the Division of Human Resource Management.

2. The notice may be given in person or by ~~mail~~ *means of any delivery service that provides a written or electronic record of the date the notice was sent and the date the notice was received.* If ~~it is mailed~~, the notice *is sent by means of a delivery service, the notice* must be ~~mailed~~ *sent* to the employee's last known address. ~~by registered or certified mail, return receipt requested. The date stamped on the receipt by the postal service is the date of delivery.~~ If the notice is returned

without ~~[a return receipt signed]~~ *having been received* by the employee, the employee's date of receipt shall be deemed to be the third day after the date ~~[of the mailing,]~~ *the notice was sent.*

3. The notice must:

(a) Specify the proposed date on which the action is effective.

(b) Inform the employee that a hearing has been scheduled on his or her behalf in the manner prescribed in NAC 284.6561 and specify the date, time and place of the hearing.

**Section 4. NAC 284.778 is hereby amended to read as follows:**

**Explanation of Proposed Change:** This amendment, proposed by the Division of Human Resource Management, improves efficiency and creates added flexibility in the process of employee appeals. At its January 10, 2014 meeting, the Personnel Commission selected the Hearings Division of the Department of Administration to act as the primary hearing officers for employee appeals beginning July 1, 2014. Also selected was one contracted hearing officer to hear employee appeals when a conflict of interest exists.

Prior July 1, 2014, all employee appeal hearings were heard by contracted hearing officers, and the Hearing Clerk of the Division of Human Resource Management served as the clerk to each of them. The Hearings Division directly employs clerks who are assigned to the hearing officers of that Division. It is much more efficient for written communications to be sent directly to either the hearing officer or his or her assigned clerk of the Hearings Division, rather than these communications being routed through the Division of Human Resource Management.

The amendment to this regulation creates added flexibility to the process by broadening the contact for written communications to a "general" hearing clerk, rather than a hearing clerk specific to the Division of Human Resource Management. This will allow the regulation to apply to all types of hearing officers the Personnel Commission may select to hear employee appeals.

**NAC 284.778 Request for hearing and other communications. (NRS 281.641, 284.065, 284.155, 284.376, 284.390)**

1. A request for an appeal must be addressed to the Administrator and submitted on the form provided by the Division of Human Resource Management.

2. A copy of any written communication directed to a hearing officer must be sent to the ~~[Hearing Clerk of the Division of Human Resource Management.]~~ *clerk assigned to the hearing officer.*

3. A party shall not communicate with a hearing officer regarding the merits of a case:

(a) Except in the presence of all parties to the hearing; or

(b) Unless all parties to the hearing are notified of the communication in advance.

4. Unless otherwise agreed upon in writing by all parties, an offer or demand of settlement made by a party must not be disclosed to or proposed by a hearing officer before the issuance of a final decision by the hearing officer.

3. As used in this section, "hours worked" includes only the base hours for the pay class designation.

**NAC 284.282 Longevity pay: Particular circumstances. (NRS 284.065, 284.155, 284.175, 284.345, 284.355, 284.3626)**

1. Except as otherwise provided in NAC 284.580 for a leave of absence without pay during a fiscal emergency, an employee who is on leave without pay or catastrophic leave, or any

combination of both, for the entire 6-month period of qualification is not entitled to longevity pay for that period.

2. The payment for longevity pay for a full-time employee will not be prorated pursuant to NAC 284.278 if he or she:

(a) Is an exempt classified employee or exempt unclassified employee and he or she uses an amount of leave without pay or catastrophic leave, or any combination of both, that equals 30 days or less in a calendar year; or

(b) Is a nonexempt employee, the base hours established for his or her pay class designation are 40 hours per week or 80 hours biweekly and he or she uses 240 hours or less of leave without pay or catastrophic leave, or any combination of both, in a calendar year.

3. If the base hours established for a pay class designation exceed 40 hours per week or 80 hours biweekly, an employee in that pay class designation must be allotted leave without pay and catastrophic leave in proportion to his or her base hours and full-time equivalency. The longevity pay of such an employee will not be prorated unless his or her use of leave without pay and catastrophic leave proportionally exceeds the limits set forth in subsections 2 and 4.

4. A part-time employee must be allotted leave without pay and catastrophic leave in proportion to his or her base hours and the full-time equivalency for his or her pay class designation. The longevity pay of such an employee will not be prorated unless his or her use of leave without pay and catastrophic leave proportionally exceeds the limit set for a full-time employee in his or her pay class designation pursuant to subsection 2.

6. An employee who is laid off and is rehired within 1 year after the date of layoff is eligible for the longevity pay he or she would have earned if he or she had not been laid off. The longevity pay must be calculated as if the employee had been on leave without pay pursuant to subsection 2.

7. A person with a permanent disability arising from a work-related injury or occupational disease who is reemployed following a separation from state service within 1 year after the date on which he or she sustained the permanent disability as determined pursuant to NAC 284.6013 is eligible for the longevity pay he or she would have earned if he or she had not been separated from state service. The longevity pay of such an employee must be calculated as if the employee had been on leave without pay pursuant to subsection 2.

8. An employee is eligible to earn service credit for the calculation of longevity pay when he or she is receiving benefits for a temporary total disability pursuant to chapters 616A to 616D, inclusive, or chapter 617 of NRS and he or she uses accrued sick leave, accrued annual leave or accrued compensatory time to meet the difference between his or her normal pay and the benefits he or she receives. Such an employee ceases to earn service credit for the calculation of longevity pay when he or she is placed on a leave of absence without pay or catastrophic leave.

9. Service in a seasonal position must be credited toward the calculation of longevity pay if the employee is employed on December 31 and June 30 and if the requirements for eligibility for longevity pay have been met. If an employee in a seasonal position is not on the payroll on those two dates and he is reemployed within 12 months, the employee is entitled to receive prorated longevity pay for his or her service during the previous longevity period.

10. If a person is on leave of absence without pay for military service pursuant to NRS 284.359 or is reemployed within 90 days after the military service, the time during which he or she was not in paid status because of his or her military service will be counted as service credit for the

calculation of longevity pay. The person is eligible for longevity pay for the time he or she is in paid status in accordance with the provisions of subsection 2.

11. If a nonclassified employee or an employee covered by NRS 284.022 is appointed without a break in service to the classified or unclassified service, the previous time served is counted for the purpose of calculating longevity pay, but the employee is not eligible for any retroactive longevity pay.

#### **NAC 284.444 Application of probationary period. (NRS 284.065, 284.155, 284.290)**

1. A probationary employee who transfers:

(a) Within the same class must serve the remaining portion of the probationary period.

(b) From one class to another class must serve a new probationary period.

2. An employee who transfers from the unclassified or nonclassified service to the classified service must serve a new probationary period. Except for those unclassified employees who transfer pursuant to subsection 2 of NAC 284.398, the status of a permanent employee may not be attained until the satisfactory completion of the probationary period.

3. An employee who is reinstated must serve a new probationary period unless it is waived in writing by the appointing authority. If an appointing authority waives the probationary period, the status of the appointment of the employee is permanent.

4. A probationary employee who is reappointed must serve a new probationary period.

5. A permanent employee who is reappointed to a class:

(a) At a higher grade level must serve a trial period unless it is waived by the appointing authority.

(b) At the same grade level or a lower grade level is not required to serve a probationary period.

6. An employee who is laid off, but who is reemployed within 1 year, must serve a new probationary period if reemployed in a different class or in a different department than that from which he or she was laid off, and the employee is subject to the provisions of subsection 8 of NAC 284.630.

7. A person with a permanent disability arising from a work-related injury or occupational disease who is reemployed in a different class or option than his or her regular position must serve a new probationary period as required by NAC 284.6018.

8. A person who is on a military leave of absence pursuant to NRS 284.359 is entitled to return to the status of appointment held at the time he or she commenced the military leave of absence. If the employee did not complete the probationary period, he or she will only be required to complete the remaining portion thereof. Upon successful completion of the probationary period, permanent status must be granted to the employee as of the date on which permanent status would have been granted if the employee had not taken a military leave of absence.

9. Promotion to a vacant position requires a new probationary period. Promotions which result from reclassification are governed by NAC 284.134 and 284.138.

10. Except as otherwise provided in subsection 11:

(a) No probationary period will be required if a permanent employee is demoted.

(b) A new probationary period will be required if a probationary employee is demoted.

(Added to NAC by Dep't of Personnel, eff. 10-26-84; A 7-21-89; 8-1-91; 12-26-91; 3-1-96; A by Personnel Comm'n by R142-05 & R143-05, 12-29-2005; R141-07, 1-30-2008)

**Section 4. NAC 284.462 is hereby amended to read as follows:**

**Explanation of Proposed Change:** Explanation of Proposed Change: S.B. 62 of the 2015 Legislative Session amends NRS 284.300 requiring the Personnel Commission to adopt regulations regarding an employee who fails to attain permanent status in the position to which the appointee was promoted, i.e., didn't pass his or her trial period, or who is dismissed for cause other than misconduct or delinquency on the appointee's part, i.e., laid off, from the position to which the employee was promoted.

This amendment, proposed by the Division of Human Resource Management, makes NAC 284.462 consistent with the revisions to NRS 284.300, changes eligibility for restoration to those employees who have completed an initial probationary period, includes the a reference to NAC

284.632 for the procedures for calculating seniority for restoration, and clarifies that placement into a vacant position at the same or lower grade will be in the agency in which the employee was employed prior to promotion. Additionally, the amendment addresses what happens to an employee when he or she is displaced by another employee with greater seniority.

**NAC 284.462 Restoration of promoted employee to former position.** (NRS 284.065, 284.155, 284.290)

1. For the purposes of this section only “promotion” means any movement into a vacant position which has a higher grade than the position previously occupied by a classified employee who has ~~served 6 months of continuous (full-time equivalent) service.~~ **completed an initial probationary period.**

2. An employee **who is** promoted ~~pursuant to subsection 1 who~~ **and** fails to attain permanent status in the position to which he or she was promoted or who is dismissed for a cause other than misconduct or delinquency on his or her part from the position to which he or she was promoted, either during the probationary period **for that position** or at its conclusion, must, **in the following order**, be ~~restored~~:

(a) **Restored** to the position from which ~~he or she~~ **the employee** was promoted ~~[-]~~, **unless that position is held by an employee with greater seniority;**

(b) **If the position from which the employee was promoted is held by an employee with greater seniority, appointed to another position in the agency from which the employee was promoted:**

(1) **For which a vacancy exists; and**

(2) **Which is in the same class as the position held by the employee immediately before the promotion; or**

(c) **If the position from which the employee was promoted is held by an employee with greater seniority and a position described in paragraph (b) does not exist:**

(1) **Appointed to a position in the agency from which the employee was promoted:**

(I) **For which a vacancy exists;**

(II) **Within a class equal to or lower than the class of the position held by the employee immediately before the promotion; and**

(III) **For which the employee meets the minimum qualifications; or**

(2) **Placed on the reemployment list for other classes for which the employee meets the minimum qualifications.**

3. If an employee fails to attain permanent status and is restored to his or her former position ~~[-] or otherwise placed pursuant to subsection 2~~, the appointing authority which ~~is effecting the restoration~~ **takes such action** must give written notice to the agency from which the employee was promoted at least 30 calendar days before the effective date ~~[-] of the action~~. The agency which is taking **the action** ~~to restore the employee to his or her former position~~ is liable for the payment of the employee during this 30-day period unless the agency ~~to which~~ **receiving** the employee ~~is being restored~~ agrees to accept the employee before the expiration of that period. An employee does not gain permanent status if ~~a report of separation or notice of intent to restore an employee to his or her former position~~ **notice of the action** has been provided to the employee and filed with the Division of Human Resource Management on or before the last day of his or her ~~probationary~~ **trial** period, even though the ~~separation or restoration~~ **action** takes place after the last day of the ~~probationary~~ **trial** period.

4. **If an employee is restored to the position from which he or she was promoted and displaces an employee with less seniority pursuant to paragraph (a) of subsection 2, the displaced employee**

*must be placed, in the following order, unless the displaced employee waives his or her rights to be placed pursuant to this subsection:*

*(a) In a vacant position in the agency with which the displaced employee is employed in the same class;*

*(b) In a vacant position in the agency with which the displaced employee is employed in a comparable class for which the employee meets the minimum qualifications;*

*(c) In a vacant position in the agency with which the displaced employee is employed in a class with a lower grade that is closest to the grade most recently held by the employee for which the employee meets the minimum qualifications; or*

*(d) If a vacant position is not available for the employee pursuant to paragraph (a), (b) or (c) and the employee has attained permanent status with the State, the employee must be placed on the reemployment list for other classes for which the employee meets the minimum qualifications.*

5. A demotion from probationary status in a higher class to the former lower level class may not be appealed.

6. For the purposes of calculating an employee's seniority for paragraph (a) of subsection 2:

*(a) Except as otherwise provided in this section, the total number of years of continuous full-time equivalent service up to the effective date of the rejection from probationary status must be included.*

*(b) Except as otherwise provided in subsection 7, the sum of the calculation made pursuant to paragraph (a) or, if applicable, subsection 10 must be reduced by the following periods if those periods occurred during the 36 months immediately preceding the date of the notification of rejection from probationary status:*

*(1) For a nonexempt employee, any combination of leave without pay and catastrophic leave in excess of 240 hours in the period preceding the date of the notification of rejection from probationary status equal to 12 months of full-time equivalent service;*

*(2) For an exempt classified employee or exempt unclassified employee, any combination of leave without pay and catastrophic leave in excess of 30 working days in the period preceding the date of the notification of rejection from probationary status equal to 12 months of full-time equivalent service; and*

*(3) Any time covered by a report on performance which rated the employee below standard, excluding evaluations received within 75 calendar days before the notification of rejection from probationary status.*

7. For the purposes of the reduction in the calculation of seniority required by paragraph (b) of subsection 6:

*(a) The reduction may not include:*

*(1) A leave of absence without pay during a fiscal emergency of the State or an agency pursuant to NAC 284.580;*

*(2) A leave of absence without pay for a work-related injury or illness pursuant to NRS 281.390; or*

*(3) A military leave of absence pursuant to NRS 284.359.*

*(b) As set forth in subparagraphs (1) and (2) of paragraph (b) of subsection 6, an employee whose base hours are more than 80 hours biweekly must be allotted additional leave without pay and catastrophic leave in proportion to the base hours for his or her pay class designation.*

8. For the purposes of calculating an employee's seniority for paragraph (a) of subsection 2, if seniority is otherwise equal, seniority must be determined in the following order:

*(a) Total time within the occupational group;*

*(b) Total time within the department; and*

**Commented [SB1]:** The highlighted language will be recommended for removal at the Personnel Commission meeting.

(c) *By lot.*

9. *For the purposes of calculating seniority for reemployment, if seniority is otherwise equal, seniority must be determined by lot.*

10. *A department may request from the Commission approval to calculate the number of years of continuous full-time equivalent service of an employee of the department by doubling the time spent by the employee in his or her present occupational group as categorized by NRS 284.171 and adding that amount to the time spent by the employee in all former occupational groups up to the date of rejection from probationary status. If the Commission approves the request of the department to calculate the number of years of service pursuant to this section, the department shall use this method to calculate the number of years of service:*

(a) *Only to determine whether an employee will be restored to the position from which the employee was promoted and not for the placement of an employee on a reemployment list; and*

(b) *Until the department seeks from and is granted approval by the Commission to revert to the method of calculating the number of years of service set forth in paragraph (a) of subsection 6.*
