

In appreciation of ALL State of Nevada Employees

# Nevada State Parks

welcomes you, for FREE, to all Nevada State Parks!

- Print this page and present a pass for each State Park you visit during the dates the passes are valid.
- Present smaller portion of the pass to staff in fee booth. Display larger portion on the dashboard of your vehicle.
- Passes are good for day-use entrance fees only. They do not waive fees for camping, boating, hook-ups, etc.
- The passes don't guarantee entry into a park if a park is closed or has reached capacity.
- You may use as many passes as you'd like during the dates the passes are valid.
- Offer is limited to Nevada State Employees and everyone within the vehicle (unless entrance fees are charged per person, in which case, valid for employee only).
- The free pass is non-transferable.
