**SERIES CONCEPT**

Motor Vehicle Inspectors check public vehicle identification numbers (VIN) and compare those to Federal Motor Vehicle Safety Standards Labels (FMVSS) and confidential vehicle identification numbers (CVIN), and provide VIN assignments to vehicles that are homemade or where the number has been damaged, removed or obliterated. Incumbents research vehicle ownership through State-owned programs and/or the National Crime Information Center (NCIC) or other entities, and perform a variety of safety inspections to enforce the laws and regulations specified in chapters 482, 484, and 486 of the NRS.

Inspect VIN's to ensure authenticity of the VIN and fasteners and that neither have been compromised in an effort to reduce the incidence of theft and sale of stolen vehicles and parts; assign VIN's to vehicles that are homemade or where the number has been damaged or obliterated; ensure proper identification of the vehicle's origin through research of ownership and registration information.

Verify safety inspections completed by Nevada registered garages, licensed body shops or rebuilders of rebuilt, reconstructed, salvaged and homemade vehicles to determine compliance with State laws regarding safety requirements and verify safety equipment has been deemed operational; assist by inspecting and verify repairs were made following minor mechanical vehicle citations issued by law enforcement agencies.

Perform appraisals of vehicles for sales tax, bankruptcy and lien sales purposes utilizing established guidelines.

Operate a computer and peripheral equipment for data entry to create, review, change, store or update vehicle information, documentation and statistical reports.

Perform related duties as assigned.

**CLASS CONCEPTS**

**Motor Vehicle Inspector Supervisor:** Under general supervision, incumbents serve as first-line supervisors for a team of Motor Vehicle Inspector I's and II's. Incumbents select, train, supervise and evaluate the performance of assigned personnel; take corrective and disciplinary action; facilitate and oversee office(s) activities; assign and review work; assess training needs and provide training opportunities as appropriate.

Provide technical expertise to customers and staff regarding federal and State laws, rules and regulations, policies and procedures; resolve complex and sensitive customer complaints and problems and make recommendations to management regarding adversarial or contested issues with customers or businesses.

Ensure internal security and safety needs are met; provide input as needed regarding the budget for assigned areas of responsibility; maintain supplies for office(s); prepare periodic reports; and ensure facilities are maintained in a safe, clean and orderly condition.

<b>MOTOR VEHICLE INSPECTOR II</b>	<b>25</b>	<b>E</b>	<b>11.431</b>
<b>MOTOR VEHICLE INSPECTOR I</b>	<b>23</b>	<b>E</b>	<b>11.433</b>

**CLASS CONCEPTS (cont'd)**

**Motor Vehicle Inspector II:** Under general supervision, incumbents perform the full range of duties in the series concept and may perform in a lead capacity for lower level inspectors to provide training and direction in the absence of the immediate supervisor. In addition, incumbents work closely with the supervisor and assist with difficult inspections and help resolve customer complaints. On a limited basis, incumbents may assist Motor Vehicle Appraiser(s) and conduct off-site appraisals of abandoned vehicles for lien sale purposes or to issue junk certificates. This is the journey level in the series.

**Motor Vehicle Inspector I:** Under direct supervision, incumbents receive training in performing the duties described in the series concept. Incumbents may progress to the next level upon meeting the minimum qualifications, satisfactory job performance and with the recommendation of the appointing authority.
