

STATE OF NEVADA
Department of Administration
Division of Human Resource Management

CLASS SPECIFICATION

<u>TITLE</u>	<u>GRADE</u>	<u>EEO-4</u>	<u>CODE</u>
UNIVERSITY POLICE LIEUTENANT	42*	D	13.215

Under general supervision, supervise staff engaged in the 24-hour field operations at the University Police Department, which includes patrol, traffic, criminal investigations, dispatch and records; plan, organize, schedule and assign work; answer technical questions and provide instruction in special techniques; review work for technical accuracy and conformance with law and established policies and procedures; identify training needs; appraise individual performance and provide guidance on improvement.

Supervise the recruitment, training and scheduling of regular and reserve University Police Officers to ensure police functions of the department are carried out in compliance with established policies and procedures.

Assist the Chief with development of the department's operating rules, policies and procedures and with budget development in the areas of equipment, personnel and training; exercise command of police activities at major crime scenes to ensure the field activities are carried out as appropriate.

Oversee the planning and organization of law enforcement activities surrounding special events involving large crowds; meet with event sponsors to determine if special permits are required; determine the number of officers needed for police and security coverage; maintain special event records including the occurrences and attendance of each event; conduct background investigations on performers, promoters and agents of the event.

Participate as part of comprehensive law enforcement efforts in the local area by interfacing with allied agencies; and identify joint information, techniques, and capabilities to obtain optimum use of staff and equipment.

Direct dormitory liaison activities based on the community policing model and provide crime prevention training.

Work cooperatively with local law enforcement agencies in accordance with interlocal agreements as required and serve as a member of task forces, committees, boards and other groups; maintain contact with other law enforcement agencies to ensure the department is current on criminal justice matters and that information is shared as appropriate.

Maintain records related to field activities, special investigations, personnel, and prepare periodic activity reports and statistics for the FBI in accordance with departmental policies and procedures.

Maintain and monitor the use of the National Crime Information Center, California Law Enforcement Telecommunication System, Shared Computer Operations for Protection and Enforcement System and dispatch equipment to ensure access to law enforcement information; ensure equipment is in working order and disseminate information regarding existing or new techniques, policies and procedures.

Perform journey level police officer duties as required to meet protection and security responsibilities; patrol University facilities, enforcing University regulations and State and city laws and regulations; assist subordinates on dangerous calls and respond to station calls of a serious nature; appear in court as a witness in the prosecution of cases.

Perform related duties as assigned.

*** Reflects special salary adjustments of 3 grades granted by the Legislature to improve recruitment and retention.**
