**SUBJECT:** Upcoming DHRM Senate Bill 431 Q&A Session

---

The Division of Human Resource Management (DHRM) is pleased to announce that we will be hosting a Q&A session to answer any questions you may have regarding [Senate Bill 431](#). This bill contemplates important changes to the State human resources system in NRS 284 that will allow for the modernization of many processes through amendments to NAC 284. Through this bill, many of the technical human resource functions will be transitioned back to agency human resources staff, creating efficiencies by giving agencies an increased ability to manage the operations of their agencies. Additionally, the bill tasks the DHRM with an audit function to ensure that a level of consistency between agencies remains.

You are invited to join us in person, or on Teams. If you would like to attend in person, you will be required to wear your State badges, but will not need to sign in at the front desk. Please see the meeting details below.
