Basis for Recommendation

At the request of the Department of Employment, Training, and Rehabilitation (DETR), and to maintain compliance with federal regulations, the Division of Human Resource Management (DHRM) conducted a review of the Workforce Services Representative series. Workforce Services Representatives provide a broad range of services in accordance with the Workforce Innovation & Opportunity Act, assist job seeking customers and business customers seeking qualified applicants, and provide priority employment services to eligible veterans and disabled veterans as defined by the Department of Labor.

It is recommended that the Special Requirements, of the Minimum Qualifications, be revised to clarify the definition of a qualified veteran per 38 Unites States Code 101(2).

In addition, conforming changes were made to the Series and Class Concepts and the Entry Level and Full Performance Knowledge, Skills, and Abilities to be consistent with new class specification review processes and to maintain consistency with verbiage, formatting, and structure.

Throughout the review management and staff within DETR and analysts within DHRM participated by offering recommendations and reviewing changes as the process progressed and they support the recommended changes to the class specification.

Changes to the class specification are noted as follows: additions in blue and deletions in red.

The formal recommendations and specifications are on file with the Division Administrator, Human Resource Management. To view a copy in Carson City, go to 515 East Musser Street, Suite 101; in Las Vegas, go to 7251 Amigo Street, Suite 120. You may also view the recommendations and specifications online at https://hr.nv.gov/Sections/Classification/Proposed_Classification_Changes/ . For additional information call (775) 684-0137.

Objections to the proposed new classification must be received in writing by August 7, 2025. Objections should be addressed to Keisha I Harris, Deputy Administrator, Compensation and Classification Section of the Division of Human Resource Management, 515 East Musser Street, Suite 101, Carson City, Nevada 89701-4298.
