## ***EXPLANATION OF CHANGE***

The Department of Public Safety has requested revisions to the class concepts for the DPS Sergeant and DPS Officer series. As a result of a June, 2012 audit of the flight program, it was determined a Sergeant was no longer necessary. Therefore, the pilot duties at the DPS Sergeant level, which is a supervisory level, have been removed and piloting duties have been added to the DPS Officer II level.

Currently the DPS Sergeant, pilot option, coordinates and administers the division's air enforcement and safety program for the northern or southern region and supervises and evaluates the performance of assigned staff. The Department of Public Safety is the only agency currently using this class specification and management believes these revisions are appropriate.

---

The formal recommendations and specifications are on file with the Division Administrator, Human Resource Management. To view a copy in Carson City, go to 209 East Musser Street, Room 101; in Las Vegas, go to 555 East Washington Avenue, Room 1400. For more information call (775) 684-0151.

**Objections to the proposed change(s) must be received in writing by March 26, 2013.** Objections should be addressed to Peter Long, Deputy Division Administrator, Compensation, Classification and Recruitment, Section of the Division of Human Resource Management, 209 East Musser Street, Room 101, Carson City, Nevada 89701-4204.
