NOTICE OF PROPOSED CLASSIFICATION CHANGES

Number: **#09-13**
Posting Expires: **April 4, 2013**

Per NRS 284.160, the Administrator may make a change in classification without the prior approval of the Commission. The following change(s) are proposed:

CURRENT			PROPOSED		
CODE	TITLE	GRADE/EEO-4	CODE	TITLE	GRADE/EEO-4
7.186	Securities Registration Examiner	37 B	7.186	<i>Securities Registration & Licensing Examiner</i>	39 B

EXPLANATION OF CHANGE

The Nevada Secretary of State, Securities Division has requested modification to the Securities Registration Examiner series in order to recognize additional duties assigned to the position due to the elimination of the unclassified Chief of Registration position and the need for the position to be licensed with the Nevada Bar or be eligible for certification pursuant to Supreme Court Rule 49.10.

In consultation with a Subject Matter Expert from the specified division it was determined, as a result of added responsibilities over the licensing function, changes to the duty statements to include responsibility for the management over the licensing of broker/dealers, sales representatives, transfer agents, and investment adviser representatives were necessary.

Requiring this position to possess a Nevada Bar License or be eligible for licensing pursuant to Supreme Court Rule 49.10 regarding the limited practice of attorneys employed in government or as in-house counsel allows for this position to perform its duties with more autonomy. Also, by adding this requirement this position will be able to present cases and matters dealing with licensing or registration to the Administrator, or appear in court on behalf of the Securities Division. Furthermore, this change will allow the Securities Division to have more flexibility in dealing with changing federal laws as they relate to State licensing authority.

As a result of added responsibilities and qualifications it is recommended that the Securities Registration Examiner be re-titled to Securities Registration & Licensing Examiner and be allocated at grade 39.

The formal recommendations and specifications are on file with the Division Administrator, Human Resource Management. To view a copy in Carson City, go to 209 East Musser Street, Room 101; in Las Vegas, go to 555 East Washington Avenue, Room 1400. For more information call (775) 684-0151.

Objections to the proposed change(s) must be received in writing by April 4, 2013. Objections should be addressed to Peter Long, Deputy Division Administrator, Compensation, Classification and Recruitment, Section of the Division of Human Resource Management, 209 East Musser Street, Room 101, Carson City, Nevada 89701-4204.
