SUBJECT: Nevada State Employee Recognition Week

Governor Sandoval has designated May 5 – 11, 2013 as Nevada State Employees Recognition Week. Nevada will join states across the nation in celebrating the numerous contributions of our public employees and to educate the community on how State workers make life better for citizens. State employees have faced many challenges in the past few years as a result of the economic downturn. It is extremely important to let them know their efforts and sacrifices in the workplace are appreciated.

Please take this opportunity to plan at least one activity to recognize employees within your agency. Activities should occur sometime during Nevada State Employees Recognition Week. There are many activities you can do at little or no cost but can have an important positive impact on morale.

To assist you in planning, we have provided a list of recognition ideas as well as Employee Recognition Week posters for you to display in a prominent area. These materials are available on our website at: [Employee Recognition Week Materials](#)
