Electronics Lab Engineer

The Nevada Gaming Control Board is seeking qualified applicants for an Electronics Lab Engineer position in the **Technology Division** for the **Las Vegas** office. This recruitment is for an unclassified, full-time position within the State of Nevada system, and may be used to fill current and/or future vacancies as they occur in the geographical area for up to one (1) year.

Recruitment: This is an open competitive recruitment, open to all qualified applicants.

The Position: The Electronics Lab Engineer is under administrative direction of the Electronics Lab Manager, the Electronics Lab Engineer is responsible for evaluating gaming devices, gaming associated equipment, and modifications thereto for regulatory compliance; performing forensic analysis in the investigation of patron complaint, dispute, or criminal allegations; analyzing technology as it relates to the gaming industry for suitability; and performing related work as assigned.

Travel: Irregular hours and statewide travel may be required.

Minimum Qualifications: A Bachelor's degree in electrical engineering, computer engineering, computer science, or mathematics; and three years of progressively responsible experience in a related field.

The ideal candidate will have:

- General knowledge of electronics, computing, and networking fundamentals.
- General knowledge of statistics and probability.
- Ability to program in at least one high level programming language such as C#, Java, or Python.
- Ability to communicate effectively both verbally and in writing.

Salary Range: Up to \$106,570. Salary reflects Public Employees' Retirement System (PERS) contributions by both the employee and the employer. An employer-paid contribution plan is also available with a reduced salary.

How to Apply: All applicants who meet the minimum qualifications are eligible to apply for this position and must do so by completing an application on the Nevada Gaming Control Board website at www.gaming.nv.gov.

In your cover letter, please indicate how you heard about the position.

All positions at the Nevada Gaming Control Board will have access to Criminal Justice Information Systems (CJIS) data.

The Nevada Gaming Control Board and the State of Nevada are committed to Equal Employment Opportunity/Affirmative Action in recruitment of employees and does not discriminate based on race, color, national origin, religion or belief, age, disability, sex, sexual orientation, gender identity or expression, pregnancy, domestic partnership, genetic information (GINA), or compensation and/or wages.
